

Greetings!

We're excited about the possibility of bringing **WINE LOVERS**, the world's first **WINE TASTING MUSICAL**, to your theatre. We know that your patrons will absolutely love this magical evening, and that it will be an exciting opportunity for you to expand the types of programming that you can provide to them.

WINE LOVERS is a unique theatrical experience in which the audience drinks **SIX GLASSES OF WINE** while watching a lively, comedic new musical. Hailed as a "**great evening out**" by the *New York Post*, **WINE LOVERS** "has something for everyone... beginners and wine snobs alike! – **You'll be drunk with love over this unique, witty show!**" (DrVino.com).

WINE LOVERS can be performed in a variety of theatre spaces, but is best enjoyed in an intimate setting (250 seats or less), making it the perfect offering for your 'Off Broadway' space. Given the unique nature of the production, we can tailor our technical needs to suit you and your organization in the best way possible.

WINE LOVERS can also be paired with dinner, light appetizers or chocolate. We suggest that you serve your dinner or continued food pairing after the show, and can assist you in putting together a great menu for your patrons, based on the wines that you choose to present.

I have included a variety of materials to give you more of a sense of what the show is all about and the financials that are involved. The creator of the show, Michael Green, is also the former Wine Editor of *Gourmet Magazine*. Let him and his team help you to garner local sponsorship or pricing plans for the wines served during your performances, or you can certainly work with a wine partner of your choice.

Thank you for considering **WINE LOVERS** for your upcoming season. We look forward to an intoxicatingly fantastic partnership in the months to come!

Cheers!
